Spay / Neuter Before Dog is ONE Year Old on: \_\_\_\_\_

This spay / neuter contract is effective as of date signed and entered into by and between Diamond Corgis LLC owned by Tara Mathers herein and after referred to as BREEDER and puppy buyer (information listed below), herein and after referred to as PURCHASER. The parties accept and agree to be bound by the following terms and conditions governing this contract for this puppy hereafter referred to as Puppy/Dog.

Proof of the spay/neuter must be received by BREEDER within fourteen (14) days after the surgery. In the event that the dog's health does not allow this agreement to be honored, Diamond Corgis must be provided with a statement from your veterinarian that this dog is not yet in physical or emotional condition for surgery. Based upon the veterinarian's evaluation of this dog the PURCHASER will contact the veterinarian and establish the earliest date that the procedure can be performed. PURCHASER will notify the BREEDER of this amendment in writing, at which time all other conditions of this agreement will apply and be enforced. It is the responsibility of the PURCHASER, not the veterinarian, to ensure that the BREEDER has received verification that the surgery has been performed. A copy of the medical record as well as the receipt is necessary verification along with the veterinarian's phone number to follow up about the procedure. Failure to comply with this agreement by the date the dog turns ONE year of age, unless otherwise agreed to in writing, will be considered a Breach of Contract, SPAY / NEUTER CONTRACT and PURCHASER will pay \$1,000.00 dollar fee.

In a perfect world, we would like to have each puppy we place to stay in their original purchasing home. Things do happen, and should you need to transfer ownership you agree to contact BREEDER, in writing, phone or email and let us know BEFORE the puppy has been placed into a new home. We require a right of first return or reclamation, that the puppy be returned to us if you cannot keep him or her. You are not free to give the puppy away to another family member or anyone without receiving permission from us first. If you decide to go ahead and give the puppy to someone without contacting BREEDER, this contract is still your responsibility to enforce in the puppy's new home. Should we not receive conformation of the puppy's spaying or neutering by the above listed age, as the original purchaser, you will then be liable for the \$1,000 fee. By my signature below, I agree to have this dog spayed/neutered by the age of ONE YEAR (12 MONTHS) and I understand that this spay/neuter contract is an agreement that this dog will not produce a litter of puppies either as purposely bred or by accidental breeding. I also agree that should the puppy not be SPAYED/NUETERED that I will pay the 1,000.00 fee.
